

# Minnesota's county and tribal child protection agencies

Updated 2021-05-03

To report concerns about child abuse, neglect or sexual abuse, contact the county or reservation where the child lives during business hours. If the child is in immediate risk of harm, please contact your local law enforcement agency or dial 911.

For concerns about the state's child protection system, not related to an individual concern, call the Minnesota Department of Human Services at 651-431-4661.
